**RENEWED PETITION UNDER 37 C.F.R. §1.137(b)**

Mail Stop PCT  
Hon. Commissioner for Patents  
United States Patent and Trademark Office  
P. O. Box 1450  
Alexandria, Virginia 22313-1450

Dear Sir:

In reply to the *Decision under 37 C.F.R. §1.137(b) and Request under 37 C.F.R. §1.497(d)*,” dated January 26, 2009, Applicants respectfully submit the following documents:

1. *Petition for a One-Month Extension of Time*, pursuant to 37 C.F.R. §1.136(a), along with an EFT in the amount of \$65.00 (small entity), for extending the one-month non-statutory deadline of March 26, 2009, through April 26, 2009; and,

2. *Substitute Declaration for Utility Patent Application*, pursuant to 37 C.F.R. §1.63, newly-signed by both named-inventors.

#### REMARKS

This *Renewed Petition under 37 C.F.R. §1.137(b)* is in response to the *Decision on Petition*, dated January 26, 2009, in which the Office of PCT Legal Administration dismissed, without prejudice, Applicants' *Petition* to revive the above-identified P.C.T. international application with respect to the U.S. designation on the ground that the newly-filed *Declaration*, filed September 30, 2008, contained non-initialed/non-dated alterations, thereby requiring a new, or substitute, *Declaration*, which is now being filed.

As Applicants understand the *Decision on Petition*, issued January 26, 2009, no further requirements, beyond the papers provided with this *Renewed Petition*, remain outstanding. Should any further documentation be required, the Office is requested to telephone or e-mail the undersigned to expedite the handling of Applicants' *Petition* and the eventual prosecution of their P.C.T. application in the United States.

Accordingly, Applicants' P.C.T. international application should now be revived in accordance with the provisions of 37 C.F.R. §1.137(b) and examined on its merits at an early date.

Such favorable action is respectfully requested and earnestly solicited.

Respectfully submitted,

ROBERT VICTOR JAMES *ET AL.*
